

THE WEB DESIGN ADVERTISING AND MEDIA COMPANY

Xone13: Where Design Meets Results

Xone13 is a full-service marketing and distribution agency specializing in Web Design & Development, Branding, Digital Design, and Print Advertising.

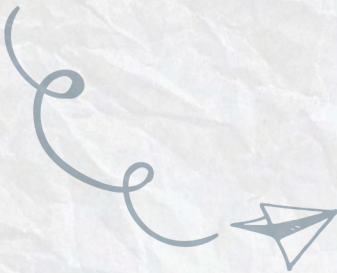

We help brands grow with tailored solutions, including PPC, SEO, PR, Cold Emails, ORM, ASO, and Influencer Marketing.

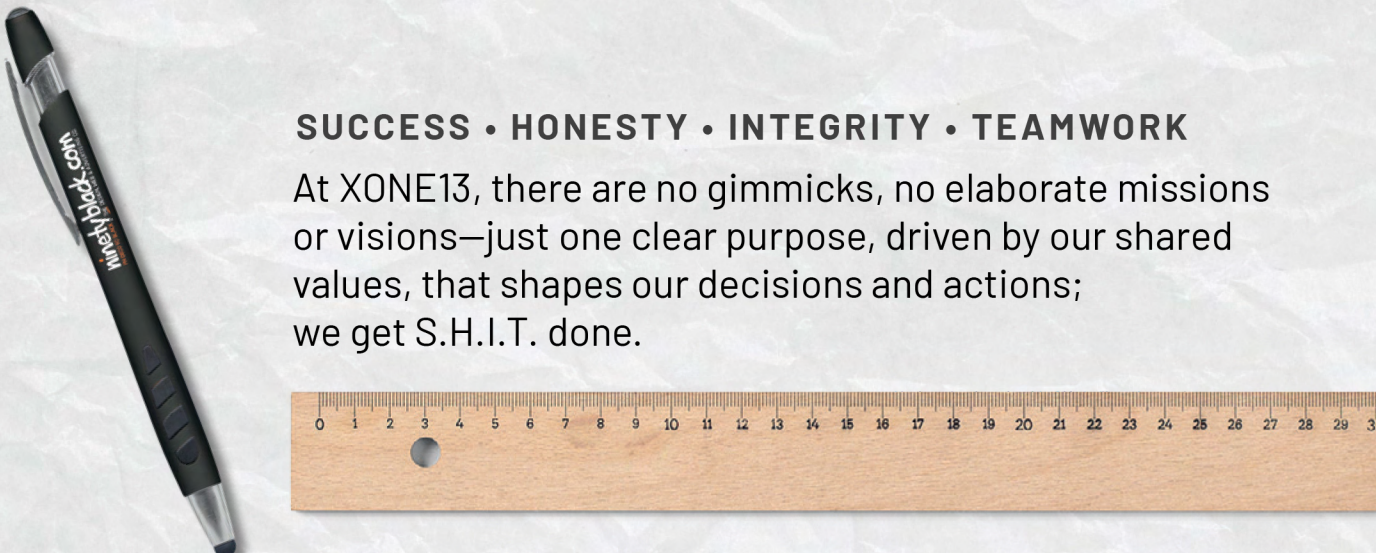

Our expert team also delivers high-quality photography and videography, ensuring visually compelling content that enhances brand storytelling and engagement.

"Success doesn't come from what you do occasionally, but from what you do consistently."

Marie Forleo

SUCCESS

SUCCESS • HONESTY • INTEGRITY • TEAMWORK

At XONE13, there are no gimmicks, no elaborate missions or visions—just one clear purpose, driven by our shared values, that shapes our decisions and actions; we get S.H.I.T. done.

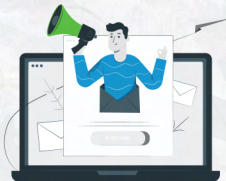

BENEFITS OF XONE13 TAKEAWAYS

Lower costs and higher flexibility
for your marketing efforts

Access to consumers who rely
on their mobile phones

The ability to speak with authority on
topics related to your product or industry

A chance to engage with influencers, earn their
respect and get them to endorse your company

The ability to track customer's
purchase journeys

Opportunities to incorporate multiple
types of media into your marketing

We craft and build engaging brand

Communication through
Design-driven thinking

DESIGN

We specialise in design and brand solutions to connect your brand with your customer.

We take a collaborative approach to every project—where you're an essential part of the process. Whether crafting your business identity or developing marketing communications and promotional materials, our goal is to make it impactful.

- ➔ Memorable
- ➔ Strike a chord with your target market
- ➔ Fit your brand and vision
- ➔ Work in all mediums

WEB

We create seamless digital experiences for your customers across all platforms, elevating your online presence with innovative website design, development, and technology—all driven by user experience.

We take a digital-first approach to web design, focusing on creating online solutions that are functional, sustainable, and purpose-driven. Our goal is to support your long-term success by making your online presence a seamless extension of your business.

Why Choose XONE13?

Our team of experienced digital professionals provides end-to-end development, including:

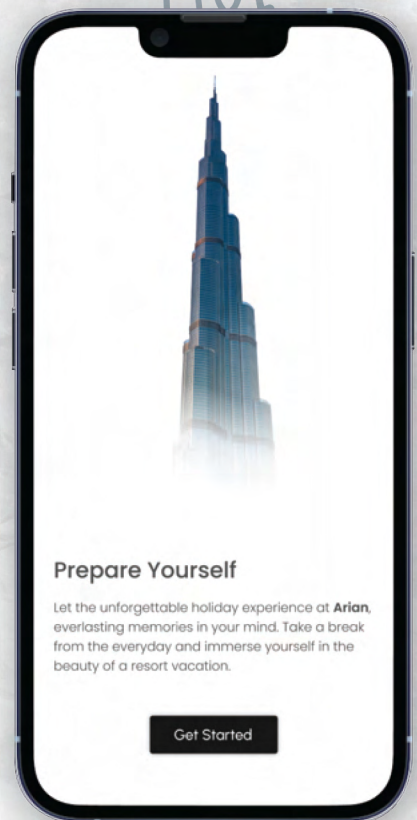

- ➔ Front-end and back-end development
- ➔ Content management
- ➔ Website design
- ➔ Website design

What You Get:

We build websites that are:

- ➔ Unique to your business
- ➔ Easy to navigate
- ➔ Fully responsive on all devices
- ➔ Optimized for search visibility
- ➔ Designed with a clear purpose
- ➔ Functional and results-driven

With **XONE13** hosting, your website benefits from minimal downtime, enhanced security, and an enterprise-grade backup system to protect your

Analytics & Reporting

We understand how to interpret analytics and extract valuable insights from large volumes of data. Every month, we provide easy-to-read reports that help you track your website's performance.

Mobile

Everything we create is fully responsive, ensuring seamless functionality across all devices, from desktops to smartphones. With mobile usage now surpassing desktop, your website must be adaptable to deliver an optimal viewing experience on any screen.

Ecommerce

Our eCommerce solutions are designed to align with your business processes, making online selling effortless. We specialize in payment gateways, POS integrations, and other essential elements to ensure smooth eCommerce operations.

Booking Systems

Our skilled developers craft booking systems that are tailored to your business, rather than forcing your business to adapt to generic software. We handle complex integrations, ensuring seamless communication between software components.

Apps

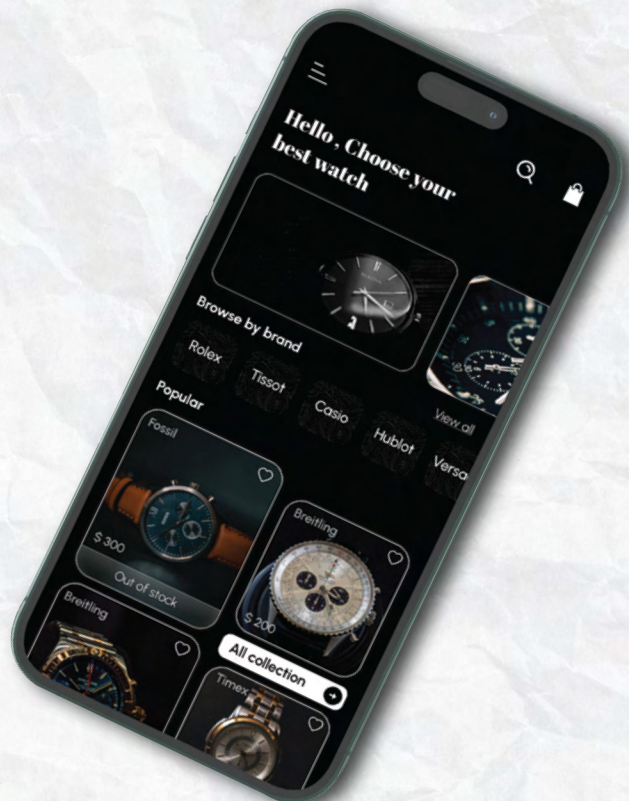

Web applications provide an efficient way to automate business processes, saving you time and resources. We customize functionalities to meet your exact needs and integrate them smoothly into your workflow.

Custom Web Solutions

Our websites are fully customized and designed to reflect your brand, ensuring a seamless and intuitive customer experience. If you can envision it, we can bring it to life.

Great design is not just about how it looks and feels, but how it works.

Steve Jobs
